

DO YOU **HAVE PAIN** IN YOUR **FEET** OR **HANDS** AFTER RECEIVING **CHEMOTHERAPY?**

A WASHINGTON UNIVERSITY RESEARCH STUDY

You may qualify for a research study to evaluate a new treatment for chemotherapy induced peripheral neuropathy (CIPN). Your participation would include free study drug, about 5 visits to the medical center and may last up to 3 months.

Compensation for your time and travel may be provided.

Please call or email to learn more information about this research:
