

Have you received one of the following chemotherapies for your cancer?

- Oxaliplatin (e.g. FOLFOX protocol)
- Cisplatin (e.g. Platinol®)
- Paclitaxel (e.g. Taxol®, Abraxane®)
- Docetaxel (e.g. Taxotere®)

You may qualify for a research study if you have received one of the following chemotherapies for your cancer; **oxaliplatin, cisplatin, paclitaxel, docetaxel** or any combination of these.

Your participation would include 1 visit to the medical center which will last about 3 hours. Compensation for your time and travel may be provided.
